Daniel Consultancy

Accountancy Services

Every business has a statutory obligation to produce annual accounts for the relevant authorities, typically HM Revenue & Customs and Companies House.

Daniel Consultancy can work with you during this process to not only produce your accounts for you but also identify areas where we can minimise your liability and reduce your overheads. We will ensure all your accounts are compliant with the relevant statutory regulations and can provide you with advice and recommendations that could improve your operations and reporting methods in the future.

Our expert team will take the time to explain your accounts fully so that you can clearly understand the operations of your business. This can assist you in identifying areas of improvement and help you to plan for the future.

Within our accountancy services we provide: -

- Preparation of Sole Trader Accounts
- Preparation of Partnership Accounts
- Preparation of Statutory Accounts for Limited Companies
- Preparation of Management Accounts

For a full list of all our accountancy & consultancy services, contact Daniel Consultancy today to see how we can support you.

Taxation Services

Within our taxations services our aim is simple, to minimise your tax liabilities and ensure that you comply with your legal and statutory obligations. We provide tax services to a range of business types from individuals and partnerships through limited companies, charities as well as not for profit organisations.

Our experience and professional team can provide preparation and advice on: -

- Personal Tax Returns
- Partnership Tax Returns
- Corporate Tax Returns
- Capital gain Tax
- Inheritance Tax

We can also assist you with: -

- Tax Planning
- Tax Enquiries and Investigations.

Over the years the tax regime has become far more complex with tougher penalties for non – compliance. Getting the right tax advice at the right time could be vitally important to your business and your own personal circumstances and we are confident that we can provide you with the service you need.

To discuss our taxations services further, contact Daniel Consultancy today, we are ready to help you.

Bookkeeping services

HMRC require all UK registered businesses to keep accurate and up to date records of their transactions at all times. However, for many businesses, this process can be a challenge that they have neither the time nor expertise to manage themselves.

Here at Daniel Consultancy, we can provide all of our clients with the support they need for fast and effective bookkeeping. For some, we can offer a bespoke spread sheet or software solution that will provide the support needed to keep your own books. For others, we offer a fully efficient regular bookkeeping service on a monthly retainer.

Good records are necessary for income tax returns preparation, budgeting and reporting as well as adhering to tax rules. Well-kept books also help you make valid decisions within your business and obtain further finance in the future.

Talk to Daniel Consultancy today and see how our bookkeeping services can make your business more effective.

VAT Returns

VAT is one of the more complex and onerous areas of UK tax legislation. With regulations and rates constantly changing and HMRC adopting harsher penalty regimes, trying to complete vat returns by yourself is getting harder and more time consuming than ever before.

Our highly experienced team of advisors can help you decide whether your company needs to be VAT registered and can recommend the VAT scheme which is most suited to you.

For those that need a more complete service, Daniel Consultancy can support you with: -

- VAT registration
- VAT filing registration Online
- Completion and submission of VAT returns
- Management and attendance at VAT inspector visits
- VAT audits and assessments
- Representation at VAT disputes and appeals

Whatever your VAT return requirements, contact Daniel Consultancy so that we can show you how the services we provide can make your life easier.

PAYE Returns

With recent changes to the way every employer now has to record their PAYE contributions, issuing the payroll and completing PAYE returns is becoming a demanding part every business. That is why Daniel Consultancy now offer a full payroll service for all of our clients at fixed and affordable price.

This enables your employees to receive their payments accurately and efficiently, while you can keep your focus on making your business succeed.

The Payroll services we offer include:

- Processing of Payroll, including monthly adjustments
- Monthly issue of payslips by both Electronic and Hardcopy
- Submission of all new employee and leaver information to the HMRC
- P45 & P60 production for all employees
- Direct point of contact with HMRC for all payroll queries
- Completion of statutory forms, including year-end returns for employees and HMRC submission
- One point of contact for all employee queries
- P11D completion

If you would like to see how Daniel Consultancy can make your PAYE Returns easier, then please contact us today and let us show you how our services can help you.

Company Secretarial Services

If your company fails to file accurate information in accordance with strict deadlines, this can have serious consequences on your business. Sometimes the penalty will be financial, however for repeat offenders there is the risk that your company can be struck off.

To avoid unnecessary penalties and fines Daniel Consultancy provide a range of effective secretarial services to help you comply with the statutory requirements outlined in the Companies Act 2006.

From our highly skilled and efficient team we can help you with:

- Filing of annual company returns
- Changes to your accounting date
- Appointment of new directors
- Changes to the company name and registered office
- Share transfers and allocations

Time is probably the most valuable currency we have today. Let Daniel Consultancy act as your registered office and you can free up more of your time to focus on making your business a success.

Business Start-ups

Starting a business can be an exhilarating and rewarding experience. However, it can also bring with it a breadth of intellectual, legislative and administrative pressures that you simply were not expecting.

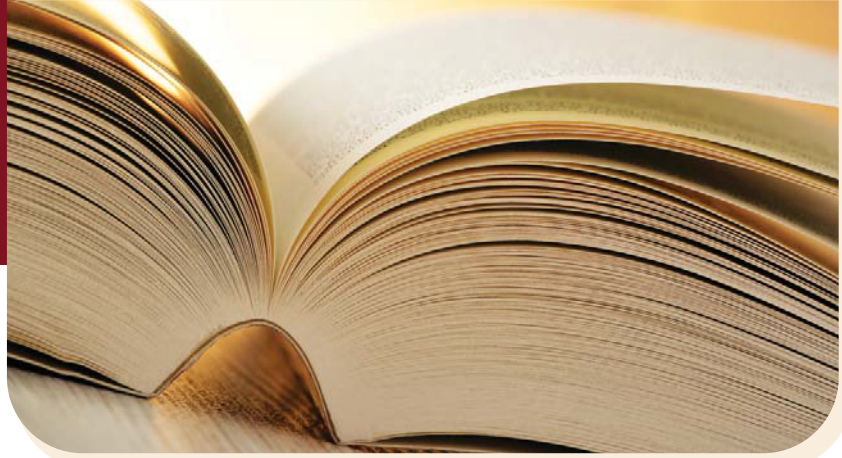
However, by working with Daniel Consultancy, we can help you navigate this difficult process and use our experience and professional care to help make your business a success.

Business structure – Should you be a sole trader, partnership, Limited Company or even a Limited Liability Partnership? We can talk you through the options available so that your business starts on the right foot.

Notifying the authorities – It is imperative to notify HMRC within 3 months of commencing any new business. Failure to do so result in automatic fines that can stop your business before it has even started. But we can do all those forms for you. We can set you up with national insurance payments and, if necessary, complete VAT Registration forms so that you can stay focused on growing your business.

Introductions – Thanks to our network of local banks, solicitors and business professionals, we can put you in touch with the people that are going to support your business and provide you with a greater opportunity for success.

If you are considering starting your own business or need some support with a venture that has already started, contact Daniel Consultancy and see how our team of experts can support your business goals.



Philosophy

John Ruskin

"It's unwise to pay too much, but it's also unwise to pay too little. When you pay too much you lose a little money, that is all. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing you bought it to do."

Lord Justice Harman

"Accountants are the witch-doctors of the modern world and willing to turn their hands to any kind of magic."
